My Mother in Law Ella Sue Northington. The one I called Grandma. I know you are now at peace and I know it was hard on you the last few days. I will never forget the fun times we had with each other over the years. All the time you would come over to the house and even when you were ready for me to jump out at you, to try and scare you. You would scream anyway, very loud. You would tell me that your brothers would do that to you when you was a little girl and you were not scared at all. I have missed those days in the last few years and will always remember them. I will always remember the things that you did to amazed me. Like drive that big RV down the road with granddaddy and work out in the yard and call me DO-MA-GOOD when you could not remember my name. I will miss you and never forget the years that we had. I am very proud to have you as my Mother-in-law and know you are in Heaven talking to all of you brothers and friends now. We will all see you again one day. Love you Grandma. R.I.P.
