“ Granny,  
I am so glad you were my grandmother. You were the strongest woman I have ever known.  
You taught me a lot about life, cooking and doing for others, but most of all you taught me about the love of Jesus. You were a prayer warrior for the family. I will Do my best to continue the daily prayers for the entire family as you instructed me to do. You have given me many wonderful memories that I will cherish forever. See you in Heaven.  
Love you always,  
Angie

“ I loved Mrs Dorothy and Mr. Willie B! I can still remember doing a monkey for his puppet show and he would translate! My monkey would witness to people and Bro. Willie B. Would tell them what I said

“ Granny I just wanted you to know how special you are to me My grandmother knew what her life was about. You always knew someone was praying for you. No one left her house hungry or without getting a hug. She touched the hearts of everyone around her. She taught me so much about life and God I feel very blessed to had all of my years with her. I will miss our long talks once a week. I will miss you dearly but I know you are in my heart. My Granny taught me everything I know except how to live without her!
