“ *My first interaction with him was with the boys bathroom bible study when it moved to Mr Donahue's room. Many people lefted after the fad faded but I stayed along with some other guys. Being the only girl I felt out of place but he made me feel comfortable there. He was always so kind to me. I'm so sorry for your lose it.*

“ *Adam was such a great student. He loved joking around in class but he also had a serious side and was a deep thinker. Once after class in tenth grade he came up to my desk and asked, “Mr. Donahue, you’re a Christian, right?” I replied, “yes.” Then he added, “so you believe in God, right?” I said, “yes.” Then he asked, “I’m a Christian too, but I’m struggling with the whole God concept.” We had some long conversations after class about God and how we can know he is real. After a few months and several more conversations he came up to me in the hallway and said, “I made that decision.” And I knew exactly what he meant. His senior year he led a Bible study in my class and got the nickname, “Pastor Adam.” He was such a bright light for me and a lot of students. He will be dearly missed but we know where he is and we’re looking forward to seeing him again.*
