“ I have worked with Albert for many years and have valued his thoughtful wisdom his ability to slow down and make careful decisions. He seemed to harbor no hostility to any one. His knowledge of flowers and vegetation seemed endless. I admired the fact that he could take joy in gardening and I enjoyed his annual “sayings” posters. My sympathy goes out to Theresa and Blake and all family members.

“ I was saddened to hear of Albert’s passing. I knew his parents and Teresa’s parents for many years. Albert and myself were both members of First Methodist choir and he was a faithful choir member when I was Director along with the late Ann Taylor! Albert’s vision for the city was appreciated and thoughtful and because of his roots he made Prattville’s growth better. RIP Albert. You were a good person and friend! William B Desmond Jr. Lt. Col. “ Very sad news and I know the family feels a severe loss. When I think of all the rich goodness of growing up in Prattville, having Albert as a friend is at the top of the list. Albert was a loyal friend and wise counselor to many. This represents a great loss for my hometown.
