“ *Psalm 90:10 states that a normal life span is 70 years but if because of special mightiness 80 years. Mr. Ericson certainly lived a long life and I'm sure was dearly loved by his family and friends. May you all be comforted by our Heavenly Father through His word the Bible where He promises a time in the very near future that sickness and death will be done away with. (1Cor. 15:26; Rev. 21:4,5)*
