Tribute Wall

“ Hello Linda,
I am Mickey Castleberry and for the past ten years (since Harold Barnes death), I have taken care of Helen in Carrollton. She is now a bed invalid and must be cared for 24/7 by live-in help. She will be 89 in December. Her Father's name was Pierson Barnes. I am unsure of the relationship, but would love to talk to you sometime. Most days she is not clear, however I remember her speaking of your Mother. I corresponded with Freeda until she died. I live in Montgomery and will try to call you before long. Please accept Helen's condolences in the death of your Mom. I told her I would send this message and she was pleased. God bless you and your family. Bro. Mickey
