“ *I have so many special and sweet memories that include Angie. She was my cousin and cousins are usually some of your first friends. I often cheerfully reflect back and remember Angie and my older sister bossing me around but always including me in everything they did. I hate that she suffered, but I know she is healed. She is with our Lord and Savior and having a reunion with all our family members gone before her. Rest In Peace my sweet first friend.*

Angie you were an Angel on earth. Such a beautiful person, wonderful mother and Nana to all our children. My heart breaks but I promise to love them all a little more for you.

Lil Sis, I will miss being able to talk to you and hear your voice. Talking about our families, the grandkids, how our day has gone, and our memories. I will miss you terribly until it's my turn, and then I will get to see you and all my other loved ones that have gone on before us. You have been the best lil sister a guy could ever hope for. I love you to the moon and back!

To my Lil Angie, There are not enough words to say how heartbroken I am. We were like sisters and I'll hold dear to the all the memories of you. Though we were miles apart we could pick up a phone and take up right where we left off. I am so happy that your not in pain or sick anymore. It hurt my heart that you suffered. You were always sweet and kind to everyone and we all adored and loved you. I just can't believe you're gone. Please give all of our loved ones who have gone on before us a kiss and a hug. I know I'll see you again one day so for now I'll say I love you, I will never forget you and I am so blessed to have known you Lil Miss Dixie. Janet
