“ Oh our glorious God; You have received a wonderful soul in Our sister in Christ, Angie Sergant. She will always be in our hearts as much as Your spirit is in ours already. Harriett and I will remember all of the wonderful times we had with the family while we were in Prattville. But even after our departure you will always be our family. We loved watching our kids grow up with Tania and Shannon. And now for Angie’s sake we will continue to share in watching her grandchildren grow up.

Grieving is always a necessary and it is a part of healing process but with Angie we have many reasons to heal faster because of who she was. We will always remember that infectious laugh and wonderful gift of gab! But more importantly her sweet heart and her love for her Lord and the love of her life, you Ronnie. You were a wonderful team. It also caused us to remember that Harriett and I have been married 46 years also.

May God bless you all during this time and may His arms wrap around you all to reassure you that she is in good hands. And remember she is out of pain.

“ I first met Angie two weeks before she got married and was impressed with her spunk and liveliness and was so happy and friendly. I knew then that this Yankee boy was going to like Alabama. After she married her sole-mate, Ronald Sargent she introduced me to him and i loved him too. What a great guy he was and we both worked in data processing. He in the civil world and me in the USAF. So we hit it off and I soon realized what a perfect match they were and it was great to see how that love between them sparkled and has grown through the years. Angie introduced me to her Mother-in-law and that union brought more love into the family. And as our families grew so did the love between all of us which made the family stronger, united in absolute love for each other which was shared with others. If you ever ran into any one of them, you would know what love looks like. I will not say "Good bye" dear Angie because I hope I see you again. But I want to thank you from the bottom of my heart for the wonderful gift you gave me by introducing me to my wonderful wife, Jewell and the wonderful life you created for all of us. You will always be a living Angel to me. Farewell my sweet girl, the Lord awaits you, always your Popajohn (a name you gave me).

7th grade in Prattmont on the playground of the new Jr High, 1963, we met. I was 13 and Angie was 14. My first sleepover was at the Davis' house. That was before we ever heard of the Sargent boys, Ronnie and Ray. Over the years I came to know a gracious, sweet, and strong girl and woman. I was secretly thrilled and thought "you go girl!" when, my best friend, Jewell told me Ronnie had picked Angie! In those young days her flare for fun was infectious. She was laughter and joy as bright as the fire of her beautiful red hair. Now she will be a leader in God's Army... yes! a warrior who will teach with the careful and thoughtful grace she brought to her later life. Thank you, Ronnie, for picking Angie! And thank you for being such a great brother to me in days gone by. I haven't got my assignment from God yet. I only hope it will be as good as Angie's. I'm Teresa in Utah, raising two more Sargent boys, since son Marcus passed. With love always, Resa.
