*I just learned about Angie's death. I am so sorry. She was a loving and caring person, having cared for so many persons during her career.*

*She will live on forever in your hearts and the hearts of countless other persons. Remember that the bible says that God is the God of all comfort. May he comfort and keep you always.*

*Charles, you would be surprised how often those of us at Greil Hospital, who knew you and Angie well, fondly remember the good times that we shared.*
