“ So very sorry to hear about "Rainy". We worked together at the school for years and I considered her a friend. My Granddaughter Jennifer also loved and remembered her from lunchroom and bus. Our love and prayers to all her family. Anne Wilson

“ *Bic is my best friend so Rainy was my "other mother". She always had a kind word but was quick to set us straight. She was always smiling and always put others before herself. I know she's no longer in pain and with the love of her life, rejoicing and watching fro heaven. She will be missed by MANY, but "God only cries for the living, cause it's the living that are left to carry on." No more suffering & no more pain Rainy. Dance the streets of gold with Dewey! Prayers for the family...I love y'all!!*

“ *We meet when her youngest Brittany and my son Michael were in kindergarten together. Many years of knowing her. A wonderful soul, and now she is with her soul mate again.*
