“ Vickie, words cannot express how much we feel right now. Sending prayers and condolences to you and the family.

Just know when I first met Annie Ruth, I thought she was a Sassy and classy woman. I met her the night of our Harlem night function, she had a smile so bright and as we talked, I said to her, “ If you ever need me to do anything for you, don’t hesitate for a moment to call.

She called me one day and said that she wanted some collard greens, peas, macaroni cheese, and baked chicken. I stopped what I was doing and went to several restaurants until I had exactly what she wanted. That day we had some good conversation, because we talked about so much.

What a beautiful spirited person to have met. She was a jewel to me. I will always remember and cherish her memory in my heart ❤️ Be blessed and know that God is keeping her in his blessed arms. Love you all . Donald and Valerie Evans❤️🌸
