“ Dear Family, Ott was an awesome man with a great sense of humor. I worked with him at Flower's Bread Store and we always had so much fun. He was an awesome person to work with and I always enjoyed his firemen stories. I live in Colorado now but was fortunate to see him during my visit there in August. I picked him up and we met some friends at the Fantail Restaurant (his choice and a good one). Last time I spoke with him was on his birthday. I will miss dear Ott so very much as all of you will. May God bless you all and wrap his loving arms around you during this time of sorrow. May you feel his peace and love always. Praying for all of you, Annette Whalen

“ I worked with your dad at flowers. We are all so sorry to hear of his passing. We did not know until Monday of his death. I would have come had I known. We had dinner with him in August and he was in a great mood. We all had a great visit. God Bless
