“ *Kerri, Joey, David and family,*

My heart aches for you in this unbearable and tragic loss. Nothing can help the pain your feeling. I read something today and I know its difficult now, but I just wanted to share it with you. I AM TAKING CARE OF YOU. Trust Me at all times. Trust Me in all circumstances. Trust me with all your heart. When you are weary and everything seems to be going wrong, you can still utter these four words: "I trust you, Jesus." I love you Kerri Ann and I know that AJ knew how much he was loved by his family, he was a treasure, lost way too soon. God Bless you all.

AJ I wish I had known you longer. But I don't think I would have been able to know you better. Your short life is a example of who you are. Your integrity, faith, patriotism and how you honored your parents and Lord says it all. On this long day it will be incredibly hard for us to say goodbye. But for you my young friend I couldn't be happier. All mysteries solved your soul flies freely into Aba's arms. You will be forever missed and never forgotten. Rest in Peace my young friend.
