“ Oh my sweet boy I still can't believe this but we all know you are in a better place. We are gonna miss that sweet smile soo much. We never knew what would come out of your mouth but you surely knew how to make someone happy, laugh, and smile even if they was having a bad day. Those FaceTime calls were always the best. I can hear you right now “where is that girl” 😊 Gracious you were an Angel sent from above ever since the day God put you on this Earth. We love you Ayden and can't wait to see you again. Forever and always in our hearts.

XOXO

“ *This was his little soggy doggy he was playing with not to long ago and aunt Nikki put it on his head and he got soo tickled that it tickled me even more also. A-man, thank you for the memories and love you left here in this earth. You was such a kind, innocent, free spirited, and loving soul and when you loved, you loved whole heartedly! I love you little wild man. Give Papa our love from down here, until we meet again* 🍷👶
