“ *My memories of you are 40 weeks long from the glorious news that you were conceived, the sheer joy engulfed my heart! The waiting seemed so long, your Mom and Dad were so excited when they heard your heartbeat for the first time! To hear of doctor visits and pictures of you on the ultrasound, to discover your gender, a boy! Your family had a great time planning your baby shower! We loved you to the moon and back sweet Harlem! We eagerly anticipated your birth! Yes, we are sad to not know you yet, but one day we will see you, hug you and know you forever! We'll be here for your Mommy and Daddy, your brothers too. Until the Lord brings us together fly high sweet Angel! Aunt Dinah and uncle Terry love you!*
