Dear Aunt Barbara, I love you so much! We will miss having you in our presence. I remember so many wonderful times with you, from vacations in Florida, to many visits in Texas, to the numerous times you spent here in Colorado with us. You were so full of love for all of us.

Wow, one of the most impressive things that I remember was that you had such a great career, and that is so admirable. I always respected what you did in your work, and you had such a long-lasting career! Not everyone can be an illustrator, and most certainly, most people don't stay in one job for such a long time! And everyone who met you instantly loved you...how could they not? You had such a beautiful and loving, dear heart.

Aunt Barbara, we love you, and I'm so glad that you know Jesus! That is why I'm rejoicing that you are no longer suffering with pain, lack of awareness, etc., but rather, you are in Heaven with our precious Lord, Nana, Papa, Aunt Vivian, Uncle Bob, and all of the loved ones that have gone before you.

Kimmy and Joe have been watching over you for the last few months, and I know, that even though maybe you weren't able to express to them how much that time meant to you, you felt that they blessed you. And same with my mother, your sister, Betty Lou, who spent the last year with you, helping you, taking care of you. Not only did she help you, but YOU HELPED HER, to feel blessed, needed, and important. She has told me that was one of the most meaningful times in her life, to have that precious time with her sister.

How blessed you were to have so many people who loved you! I know that you and Uncle Bob loved my son Sam like he was your own grandson, and he certainly felt it, and he loved you the same! You always showered him with love and attention (and, you spoiled him, but he LOVED that!). He loved you both so much and there is a huge hole in our lives now. But, we know that you and Uncle Bob are both in Heaven with our loved ones that we've lost.
