“ Barbara and I worked together at Prattville Hospital back in the 70's. She and I became good friends and as much as I tried to have her let me know where she was the past few year, she never would tell me. I wanted to visit her. She was a wonderful wife, mother, nurse and most of all friend, She will be missed by many. RIP Barbara, I'll see you soon.

“ I have fond memories from my childhood about the Hodges. They were our neighbors and like family. Ms. Barbara had a caring & loving nature that made us all feel like we belonged to her too. My sincerest condolences for the loss of this great woman.
