“ Dear Family, I am so very sorry about the loss of your dear loved one. May the thought at Job 33:25 give you comfort in knowing that Mrs. Oates will return to the days of her youth and be able to enjoy life without the infirmities of old age. My sincere condolences to you.

“ I think and praise God for my Aunt Barbara June. She was a blessing to many, to my family, and to me. When I called my Momma on the morning of 8/15/01 to tell her that Daddy had died, Aunt Barbara June answered the call and was with my Momma (they were sisters) to console and to comfort her. To me, Aunt Barbara June was an earth angel. She will be deeply missed. She and her son Todd would often visit my Mamma while she was at an assisted living home in Montgomery, AL. They both looked after my Momma, my sister, Brenda (before she died on 7/3/10), and Uncle Jack (before he died). Words cannot express how much she meant to our family. My Momma, Katie B Hopper, is suffering from dementia and parkinson's disease. She is staying at Westbury Health and Rehabilitation Center, Heritage Hall, Room 56B, 198 Hampton Street, McDonough, GA, 30253. I live just 2 miles away from her. Praying for the family as they walk this trail of grief. She is gone but not forgotten. <3
