“ Barbara will be missed by all who knew and loved her, family, friends, and acquaintances alike. She was an absolute ray of sunshine, beauty, and happiness to everyone by just walking into a room. As a kid growing up in Chisholm my family, the Goolsby's, were lucky enough to live two houses down from Barbara and James Earl and Jimbo, Janelle, and Kristi. It was an honor to be called friend and neighbor. Barbara and James Earl used to go skating at a local skating rink with us kids, and believe me, it was always a belly full of laughter and fun when they were able to join us even for the second sessions! Losing her hurts all of us but knowing that she is in heaven with the Lord and back with her "soul mate" James Earl and the rest of her beloved family that has gone ahead gives us all pause and the enduring knowledge for all of us in Christ that WE will see her again.

“ To Jimbo, Janelle, Kristi, Ricky and all of Bobbie's family including grandchildren, nieces, nephews and every member of her family, I love you all just as I loved my niece Bobbie. She was always more like a sister to us than a niece. She will be missed not only by myself and her family, but by all of her friends and she had many. I am sorry I will not be with you in person during this time because due to my age and condition I cannot presently leave home, but my thoughts will be with all of you. I want to reassure you that there is coming a resurrection of all who ever lived and that includes Bobbie. When that God-promised time has come we will all see and be reunited with Bobbie once again and may God hasten the day. Bobbie is sleeping now, but she will soon awaken. Be comforted by the thought.
