“ *Bobbye was my mentor and friend when I taught Title I at MMS. She was at my husband's funeral exactly 3 years ago. It was the same time and date as her Funeral. It meant so much to me that she was there! When I left her funeral There was a rainbow in the sky. It had not rained- so scientifically it should not have been there. It was a sign to me from God that they are in heaven and that everyone is O.K.:) May she rest in peace! Pam Muschara*

“ We have been through a lot over the last year, Tami is right you are the strongest person I've ever known. You have fought battles no one else could have ever possibly won. I know you will never hurt again and are in a better place. I love you with all my heart and will miss you every day.

Tami Tyler, your mom was very sweet and dedicated to helping out the Ronald McDonald House, and I just need to find out who can pick up some tabs we saved for her, we have several bags. We are at 4139 Carmichael Road, 36106. 260-0803 is the number and my name is Laura Ribelin. I loved your mom. We would chat and I would give her a t-shirt and some sprite and cookies while she sat and visited. I would love for these tabs to go for what we collected them for her to go to.

“ *Mrs Bobbye had the sweetest smile in the world and I will truly miss her! She was a wonderful friend to me and I will miss having my "partner in crime". When we got together, we could get in trouble better than anyone knows. I will always love her!!*
