“ I can't imagine this world without her. She has been in my life since I was 16 years old. I remember weekends watching Miami Vice and coloring each others hair. Shopping all over town and eating Steak and Ale. Family holidays and family vacations. I could call her and we would talk for hours . I am going to miss her and hope she knows how much I truly loved her. I know she is with her family in heaven and I'm sure they are having a heck of a good time up there. Until I see you again rest in the arms of the angels my dear friend.
