“ It seems like just yesterday when we'd see each other at Grandpa Roland and Grandma Mary's house. I remember the time also when I visited with Uncle Jerry and Aunt Sarah's when I was stationed at Fort Benning in 1974. We again made contact with each other when Barry was in the Air Force and again in the Army. Since 1973 I have lived in places far away when people close to me have passed on. Not many on the King family left now. Barry always made sure we knew the family tree. I truly thank him for that. It is sad that we never got together more that we did. I guess it has been 20 years since I was last down that way, but we were able to keep up with each other on Facebook. I will truly miss those likes on Facebook when he'd read something I posted about my immediate family. I enjoyed immensely his posts and pictures. One thing he can definitely leave this world knowing is that he had such a nice and loving family. I truly wish him peace as he meets with the hands of God. Love you cousin!!

“ Rest in Peace ,my friend. MY first memory was 44 years ago.My first job was in the grocery business and Barry's family owned a Big Bear /SuperFoods. I did not work there. ,but everyone in the grocery business knows everyone's business.I had friends at every Big Bear/Superfoods in town.I still get my hair cut in that Harrison Road shopping center and remember the old days. Prayers to Kathy and the boys.
