“ I'm deeply saddened to learn of Belinda's passing. Having worked side by side for nearly 12 years...together we persevered through the difficult times with, tears, prayer, arguments but mostly laughter. My fondest memory was seeing her love ones gather to celebrate her retirement...she was sent off, like the true queen she was!...This farewell will no doubt be much more difficult, yet to the faithful, there's a promise that we shall see her again. My deepest condolences to Tim and the entire Ray family...🙏💕

I'm so sorry to hear of Belinda's passing. The last time I saw her was at her retirement luncheon. She was so happy and excited to finally be retiring. It seemed she had been retiring for at least 3 years because everytime I'd call her office, she'd give me the count down. Sometimes I would ask her how many days she had left before retirement, and sometimes she just tell me as soon as she recognized my voice. She was always sweet and very helpful even when I know I was bugging her. My prayers go out to her family during this very difficult time.

My thoughts and prayers are with you today and the days to come. Belinda was not only a fantastic co-Airman in the 908th Airlift Wing, she was a wonderful friend. Her service to others was always above and beyond. She definitely took care of me and I knew the answers/guidance she gave were 100% correct. It was a huge loss to the wing when she retired; it is a huge loss to all of her wingmen who knew her as a friend. Praying God gives you His peace today and in the days to come. In His service, Nancy Stephenson

“ To Belinda’s family I want to thank you for sharing your beautiful Belinda with all of us. As I made my rounds at the 908th my journey was not complete without a stop at Belinda’s desk. Regardless of the mission she was on top of and greatly improved our contributions to it. Her stories of family, pets, and her Mini Convertible always brighten my day! Truly a special friend to her 908th family.

“ Belinda was a joy to work with as my counterpart with the 42nd training office and as a fellow 908th member. She was overjoyed when talking to me about retirement. I will most definitely miss her and our talks! A true staple to 908th community! Praying for peace and strength to her relatives and work family!

Belinda was a dear friend . Our children were close in age so we bonded quickly helping each other get thru their teenage years. She definitely loved her family and I am so heartbroken to hear of her passing . My heart goes out to Tim and her family. I know she will be missed. We had fun times and lots of laughs and for that I will always be thankful. Rest my sweet friend and one day we will chat again. Love ya girl.

“ *One of my favorite people, Belinda could always make me laugh! Working with her was a pleasure, and it distresses me to know she will not get to enjoy the retirement she deserved! She had a tremendous love for animals, especially chihuahuas (Chico) , which says a great deal about her character. Her backyard animal graveyard supports that too! A true friend she was, and I will never forget her!*
