“ My husband Phil and I lived in Prattville for 11 months while he went through ACSC back in 1990. Bertie was so influential in my Christian walk! Having been baptized as a baby, she helped me see the value of being baptized again knowing in my heart and mind that Jesus is my Savior! What a valuable divine appointment with a woman on fire for the Lord!!! I know she is so happy to see her Savior and Bob!!!

“ Our sympathy on the passing of Bertie. When she was still walking in the mornings, she would go by our house the same time we were walking our dog. She would always stop and visit for a moment. It was lovely. Neighbors Bob and Eileen Gutkowski

“ I was a neighbor for many years and we met on one of Bertie's neighborhood walks. Bertie was so kind and so genuine. I love that Bertie could laugh at herself. I miss her.

“ A young Bertie Payne. Found these kids mustaches at the dollar store and thought it would be fun to do an old fashioned cowboy portrait. Kept adding to the idea until we ended up in my dad's leather vests and Mrs Bertie brandishing pistoleros. She was fun to play along.

“ Blessings and sympathy to all of you family members of Bertie. She was such a great Christian lady and friend to me. She loved God, family and so many others.

I first met Bertie in 1955 as a freshman at Howard College in Birmingham, AL. There were several of us who corresponded over the years as well as getting together with reunions and fun. Some of these friends included Shirley Lackey Warren, Lyn Harmon and Martha Glidewell.

I will never forget the short visit at her home with she and Bobby in 2014. We shared photos of our children and grandchildren and so much more. It is a great memory of both of them. I even taught Brett a math course at Samford University so we had other connections. I have attached a picture of the visit that I cherish.

Because I have several health problems I may not be able to attend her memorial service but send my sincere prayers to you.
