“ I miss our talks we used to have when we went on field trips with our kids. You always made a negative thing into a positive thing. You were a true testimony of what a Godly woman should be. You loved & supported your family every single day. I am thankful that you are in no more pain but I will miss you terribly.

“ Betsy was a True testimony of how we should be as Christians. Watching her in ministry and interacting with youth taught me how to be patient with teens. I am thankful for that. Her endurance and smiling face during her illness was a precious witness of our Lord. She will be truly missed.
