“ *Debbie, you probably don't remember me but my uncle was Carl Bishop who was married to your mom. My mom is Ann Sutton, who was Uncle Carl's baby sister. My mom had stayed in touch with Aunt Betty periodically and had even called her on Wednesday (7/15/20) to catch up again, left a voicemail for her, but had not heard back from her.*

When my mom told me that she hadn't heard back from her, I did a Google search and found Aunt Betty's obituary.

I called my mom back to let her know and she was shocked of course.

I just wanted to pass along our condolences to you and all of the family. We always enjoyed seeing Aunt Betty whenever she and Uncle Carl would come to Georgia to visit! She was a sweet and beautiful lady and she will be truly missed! Even though my mom and I had not seen her since Uncle Carl's funeral, just knowing she's no longer with us, makes our hearts sad!

Again, our deepest sympathies to you and all of the family!

*Dear Charlene and Ann,
Thank you so much for your kind words for Mom. I just saw this message last night . Am sorry I didn't see it sooner. We loved Carl and remember how much Mom use to fondly talk about your Mom, Ann. When Mom went to be with the Lord I looked in her day planner for your Mom's number. There were two numbers listed - one was disconnected and the other one I left a message on.
Am sorry our paths didn't cross. If you message me your contact number will send you some pictures.
Again, thank you for reaching out. Mom loved your mother.

“ My fond memories of Betty date back to her days in Linden, AL as the mother of my childhood friend Debbie. I remember the home and yard where our gang of friends often gathered for fun times and can picture her loving supervision and guidance as one of the neighborhood moms! Heaven has gained a beautiful, caring person. My sincere condolences and prayers are with the family as you grieve your loss.
