“ I met Mrs Betty when I moved to Millbrook 10 years ago. She became a friend and second mother to me. She met my mom Fay and they became close friends. My children and my oldest granddaughter became close to “jamma” Betty. She was such a funny and sweet woman and my heart already feels the loss. I will miss sitting and talking with her. She loved her family and enjoyed talking about them. She will always have a special place in my heart and memories.

“ I have many memories of Mrs. Furr. She loved her family and they loved her. I like thinking about her sitting on Lisa's patio watching the kids swim and play, her interacting with the family. The kids always talked about her fried chicken, they loved it when he fried chicken!
I have always prayed for her and now pray God will comfort the family.

Love to all the family,

Susan Harper
