Betty was an avid basketball player and a South Carolina beauty queen. Betty married the late William Lex (WL) Hubert of Prattville, AL on June 18, 1949 and celebrated fifty years of marriage before Mr. Hubert passed in 2001. She is also survived by her grandchildren; Lindsey Canada (Jason), Blake Hubert, Meredith Bartley (Ron), and Ryan Folsom, 14 great-grandchildren, and 1 great-great-grandchild with one on the way. Three of those great-grandchildren, Tyler, Brady and Landry Hughes, shared a special relationship and most of their days with their Nanny either at her house, with Nanny at their house or on family trips and were with her until the end. She is also survived by her niece, Brenda Cargill Cook of Montgomery, AL and nephew, Jim Wrape Jr. of the Huntsville, AL area. It's impossible to sum up our mama and her well-lived life in a few paragraphs. She is and was the most remarkable woman that we will ever know or love, and no matter what we write for future generations to remember her by, the words will never do her life justice. Mama was a quiet, gentle spirit with an old soul.. She had answers to everything- whether she really did or not. She could comfort you when nobody else could with just a few words. Mama did everything with a grace that doesn't exist in the present day, and we couldn't be more proud of the woman that she was. Mama's first job was at a pharmacy in downtown Prattville in her teens. Mama worked with Daddy in his Gulf oil distribution business for several years, but the job she was most proud of was her job as a mother and a homemaker. If you ask anybody who knew her, they'd tell you she was known for wearing her aprons, for her southern cooking and for not smiling in pictures. Those hands that loved on us, prayed for us, clapped for us, and fed us, made at least a million batches of the best biscuits you've ever tasted. Not one of us can remember a night that Mama didn't get on her knees by her bed, bow her head and pray not only for the ones she loved but for the ones that were hard to love. She taught every one of us a faith that didn't waiver, not only by the words that she spoke, but the life that she lived. She was a long time member of First Baptist Church, Prattville, AL. We are losing our best friend, our biggest fan, our closest ally and the first love of our lives, but we also know that she's been living and working for this day to meet Jesus all of her life and is finally healed. The very second that mama left us, the most beautiful golden light came through the window, enveloped the room and left as quickly as it came. We knew right then that she was safe and had made it home. While we are heartbroken and don't know how to live without her physically here, the lessons she taught us and memories she made for us and with us will last for generations to come. Mrs. Hubert's graveside service and entombment will take place at Prattville Memory Gardens on January 2, 2021 at 1pm with Dr. Travis Coleman officiating. There will be no visitation because mama would scream if she knew people were looking at her and we can't have that happening in Heaven.

Pallbearers are Coleman Hunter, Bruce Williams, Caleb Florea, Zach Hughes, Wes Roberts and Joey Holley.

“ I read the obit in the Montgomery Advertiser and although I did not know Ms. Hubert, nor do I know any of the family, I just wanted the family to know that I was moved to tears as I read the obituary and then to laughter when I read “ there will Be no visitation because mama would scream if she knew people were looking at her and we can’t have that happening in Heaven.” This said so much about her, her family , her faith and the character of her family. (it even made me think of my own sweet mother who died in 2004.). Thank you for sharing and celebrating Ms. Hubert’s life. May God bless you all and give you fond memories and peace. Oh, Mrs. Connell, thank you. If you had known her, you would have loved her. I'm sure of it. And from what you wrote, she would have loved you too. You made ME cry. Thank you for your words. We will live on the comfort your words gave us for a long, long time. Your sweet mama and ours might just be talking in Heaven about us right now.

“ A Sweet Dear Friend to me. Always enjoyed talking to her and Mr. WL about everything (her kids who have been friends to me for for many years), politics-words of wisdom she did have.
I will miss her.

“ I remember when Betty moved back to Prattville from South Carolina. She was a senior in high school and I was in the tenth grade. She had played basketball in Mccal and we had been trying to get a team going. Coach Jensen, the football coach was our coach. Betty was the best players we had. I don't think we won a game but it was fun watching her play and trying to play with her. That was the only year we were allowed to have a girls basketball team. Somebody thought that girls should not play such a strenuous game!

Betty was a beautiful young girl and woman. She was very shy and usually covered her mouth anytime she talked to you.

I didn't see nearly enough of her as we aged. In later years I would call her when I came to Prattville and we would get cousins together for dinner.
