“ *Became neighbors with the Lyles in 1985. The best neighbors we could ever have had. Spent many hours chatting with Betty. She loved our girls like they were her grands. She definitely made me laugh many times through the years. Saw her in JC Penny not long ago, we talked and laughed for at least an hour. Love you Betty!*

I enjoyed many days under Mrs. Betty's carport talking and just enjoying her company. We would ride to Montgomery to her appointments and come back through Prattville and "piddle" as she always said. She never met a stranger and will always be a good memory for me. Much love to the family.
