“Wow, I could write a thick book on Aunt Betty! She had a huge impact in my life. She taught me how to cook and bake. I still love to bake to this day! She was fun loving and such a prankster. She took care of my great granddaddy, who lived with us for a time. I saw her almost everyday. That was one of the happiest times in my life. I'll share a memory... one day I came home from work and decided to take a shower. She snuck in and took my towel. No worries, I figured I'd get one out of the cabinet. She took those too! All she left me was a wash cloth. I got her back though, I put plastic wrap on the downstairs toilet. 😊 Heaven is most certainly rejoicing and I'm sure she and grandmama are worshipping Jesus!  
Much love,
