So if you need me, call, and I will come. Though you can't see or touch me, I'll be near, and if you listen with your heart, you'll hear. All my love, all around you, soft and clear. And then, when you must come this way alone, I'll greet you with a smile, and say "Welcome Home." -Shared by Betty Reedy.

*It's so hard to say goodbye to lifelong friends! At age 8 my family moved 2 doors down from Beverly and her parents, George & Rosemary Woods in Edgewood Subdivision in Urbana, Illinois. She was a year older than I, but we became good friends and always played together and our parents were good friends. I can picture all our neighborhood friends riding bikes together, spending summer nights camping out in the backyard, and going to Crystal Lake Park pool on hot days. During our young adult and later years, we lived far apart (Alaska & Florida) then (Hawaii & Alabama) so we didn't see each other. However, we re-established closer communications as the years went by and it was great! I know Bev has a wonderful family that will miss her so much! For her amazing husband, Dan, I know the road ahead will be a tough one. My prayers are with all of you as this chapter of your life draws to a close. Each of you will have your own grief journey and I hope your wonderful memories will help soothe your hearts. With love, Robilee Bell (Brown).*

We had a lot of good times with our family and Illinois and Beverly enjoyed spending a lot of time at aunt Gladys's. We are all one big family there.

Bev loved her family and coming back to Illinois. Some of the cousins would get together for dinner and talk about when we were young and Christmas at Grandma's and being at Aunt Gladys house. You will definitely be missed but Rest in Peace dear Beverly.
