“ Dear Gibbons Family,
I am so very sorry for your loss. God is "healing the brokenhearted ones, and is binding up their painful spots." (Psalms 147:3) May you find comfort in pouring your heart out to God in prayer because he sincerely cares for you. He will soon fulfill his original purpose where he will swallow up death forever and tears and pain will be no more. (Isaiah 25:8; Revelation 21:3-5) I hope that this can give you some relief during this difficult time.

“ My sincere condolences to the Gibbons family. God will fulfill his original purpose of a time without death, tears, and pain and soon "No resident will say: I am sick." (Isaiah 33:24) May the prospect of being reunited with your loved one on earth at a future time give you comfort through this difficult time.
