“ *There are no words I can say to help. All I can do is pray for your souls to heal with time. Blake is and always will be your precious beautiful son, brother and grandson. That connection can never ever be broken. Continue to talk about and remember him. Never stop saying his name. I know there is nothing I can do or say to take away your pain but know that there are a lot of people praying for you and thinking about you. Much Love! Judy Merritt*
