“ Just saw where Ms Blanche passed. My thoughts and prayers are with Jill and family. She was definitely a spit-fire that I enjoyed becoming a part of as one of her hospice nurses. God Bless!!!

“ I have such sweet memories of Blanche visiting my grandmother, Jewell Sheppard, at my house. They were the cutest things, sitting together, holding hands, and chatting away. Two precious souls who can now be together again in heaven. Praise God!

“ Grandma, thank you for a life time filled with love and wonderful memories. Thank you for your beauty, grace, compassion and love, they have been gifts to your family and friends alike. Thank you most of all for always knowing what I needed, even when I didn't. The celebration of you and our family will live on eternally; and I am excited for the time we are all reunited in His Kingdom. All my love, Lynn.

“ Ms Blanche your big blue eyes always reminded me of Lucille Ball, because they were so merry and always twinkling. Joe and I will miss you so much. You were such a sweetie. So glad to know you are with your family that went on before you and most of all that you are with the King of Kings!!! You have looked upon the face of Jesus. What a beautiful way to spend eternity. We will see you again one day and we will always love you.

“ I will miss Ms. Blanche's sweet smile lighting up the room every time I saw her. But all those folks listed in the obituary are now enjoying that smile!

“ As music director at Trinity there are certain people in the congregation I can and could count on for a smile while singing. Mrs. Blanche was one of my favorite people who returned a big smile! She loved to sing and loved music I could tell just by her sweet face when she sang. I will miss my special lady who smiled back but I know that she is smiling with Jesus and others that are there in Heaven! Rod said it best, " She was a grand, Classy Lady" I will miss her! Smile on sweet friend!

“ *Blanche was a grand, classy lady. I used to enjoy teasing her because she always gave every bit as good as she got - and then some. I know Trinity, Jill, & all Blanche's family & friends will sorely miss her. Isn't it wonderful to know that when we see her again, she'll have none of the ailments & medical difficulties she's had to bear these last few years? I know that's so because our Lord has promised it & he fulfills every promise He has ever made.*

“ Blanche and I shared a few of similar health issues, one being our curved spines. We often compared notes and after my surgery to correct mine, she was ready to have her back straightened, but it wasn't that easy for her. We will always remember her bright smiling face and cheerful outlook on life. I hope I can be half the Christian model she was. I know that Jesus welcomed her home with open arms today and what a glorious day it was for her! Cheryl & Lloyd Snellgrove
