

## Bob Roan Holloway Jr.

June 21, 1960 - January 2, 2021

HOLLOWAY, Bob "Roan" Jr., 60, died peacefully with family by his side on Saturday, January 2, 2020. Roan was a lifelong resident of Prattville and graduated in the class of '79 from Prattville High School. A visitation will be held on Friday, January 8, 2021 at Prattville Memorial Chapel from 6:00 until 8:00 p.m. The family will be having a private service on Saturday. Roan was preceded in death by his parents, Bob R. Holloway Sr. and Betty Bates Holloway. He is survived by his sister, Tonya McGehee and her husband Jeff; his niece, Lillian Grace McGehee; and his beloved pet rescue cat named Lucky. Being born with Addison's disease did not keep Roan from living large. He was an avid Auburn fan and bled orange and blue. He loved attending country music concerts, traveling, and going to the beach. He loved his relatives and was affectionately known as "Uncle Roanie" to his niece whom he loved dearly. In lieu of flowers, donations may be made in his honor to the Alabama Baptist Children's Homes at [www.cafo.org](http://www.cafo.org) or to The Eagles Foundation at [www.theeaglesfoundation.org](http://www.theeaglesfoundation.org).

“ Tonya and family...I've just found out about Roan's passing and I'm sorry I couldn't have been more timely in my condolences. I so enjoyed scrolling through the pictures to see a life well-lived and well-loved! Our childhood on Sycamore Drive was the absolute best, wasn't it? And Roan was an integral part of that awesome childhood! Wishing you peace and love, my friend...

“ Roan was so sweet to me in our youth group at First Baptist Church in Prattville during the 1970s. I especially remember his holding my hand during the "couples skate" at the roller rink in Prattville during a youth outing. He treated me like I was a queen, and his kindness encouraged me to be confident as I matured as a teenager. He had a way of making me laugh and feel like I was special. I am so sorry to hear this news. Tonya, the last time I saw him was just before your daughter was born. I was in Alabama visiting my family down the street from his house, and I happened to see him in his driveway. He was so excited to tell me that you were expecting. That is a happy memory. He was a gentle soul, and the world feels a little darker. I will light a candle in his memory and pray for you and your family as you remember and cherish his love for you all.
