I have just learned of your loss when looking at the obits today. I am so sorry for your loss and so sorry I was not able to be there this morning. Bobby and Joe were such good friends and shared many happy and fun times together. I know they are glad to see each other again and are laughing and rejoicing together. Please know that you and the family are in my thoughts and prayers now and in the days to come. May God's love and grace give you comfort, peace and strength.*

“ To the Newton Family from Kay, Calvin, Mike and Gaines Harrell, Bobby was such a good friend, he held a special place in our hearts as do all of you. We lived our lives so close at one time, shared our families with each other and made time to be friends. Bobby loomed large in our eyes as a wonderful family man but more than that, he was a friend to all that would let him be a friend. We want to express to each of you our deepest sympathy, we will miss him also.

“ Bobby was a friend. I enjoyed talking to him. He always shared stories about things he and my husband use to talk about concerning the neighborhood. They had a lot in common, because they both cared about their yards. He was a sweet person and will be missed. Dianne, you will remain in my prayers, but you have a lot of good memories and just remember he is in a better place and we will see him again one day. My love is with you and the entire family.
