“ Brenda worked at my neighborhood gas station, I met her when I was a little girl. She babysat my cousins when they were infants and was close with my grandmother Patricia. There was never a day I saw her where she wasn't smiling. She would work holidays and we would always take her an extra plate of food. She helped me and my family several times over the years. Her kindness and generosity touched everyone she met. I swear she knew every customer by name. She was the heart and soul of that little store. I was so saddened to hear of her passing as was my entire family. She is smiling down on all of us and is finally getting a well deserved break. She will never be forgotten. Rest peacefully miss Brenda.

“ I was very young when I first met Mrs. Brenda and she was always so kind to my sisters and our neighborhood friend group. She was always wonderful and kind and essentially saw me grow up. Tia Brenda was a title I gave her and walking up seeing her there I know it was a good day. Rest In Peace Tia Brenda ❤️

“ I got to know Brenda by conversations we had everytime I went into the store. She was always pleasant and even one time she shared with me she was helping out a young lady who had just had a baby. I had baby items to sell and clothes but gave her a big discount so she could help her friend out. She was such a helping person and always had a smile in greeting the customers. I will truly miss her here on earth but when God calls me home I hope he puts Brenda in a house by mine so we can be neighbors. See you down the road Brenda. Thanks for all the conversations and smiles you shared with me

“ I have known Brenda for many years through bowling. I never remember seeing her without a smile on her face. Michael was just a little boy running around Woodmere while Brenda bowled. She will be missed by all who knew and loved her especially her husband, Bruce.

“ I met Brenda several years ago when she started working at the store. I found her to be very friendly, never complained about anything and outgoing above and beyond to help customers in any way she could. If the world had more people like her it would be a lot better place to be. Brenda was a gentle soul and Spirit. She will be truly missed by all that knew her. Humble Condolences to the family and we will keep you in our daily prayers. God bless!🕎🕯️🕯️ .

“ I've known Brenda for the past 13 years. She worked at the store below my house in Montgomery. She was the sweetest and kindest person to everyone that walked in, she always had a smile every time I saw her. I will think of her every time I go to the store. I and others that knew her will miss her terribly. Prayers for her family. So sorry for your loss.

“ More than a decade ago, I walked into Woodmere Lanes having not bowled in over 20 years, and not knowing anyone or even if I really wanted to do it. Brenda was quick to welcome me on her team, and I've been grinning and sparing it with her and her family ever since. I will definitely miss her, but her memory will continue to fuel my passion for the game. I hope your fondest memories of Brenda will bring you comfort in the days ahead.
