“ My tears flow and my heart aches for your loss! I haven't seen Brett in many years but in his school age years he and my son spent some precious times together. He was always welcomed in our home as was John in Belinda and Frank's. I can still see his big smile and hear him laughing ..so full of personality! I pray for strength and comfort for every family member and friend..but especially for his sweet Momma! I know how much love a Momma has for her Son! God Bless!

Brett found good in every situation and every one. The first thing he saw in a person, was their goodness. He shared kindness, forgiveness, empathy, friendship, an open heart, and the shirt off of his back, to anyone he'd meet. Brett's first instinct as a man, was to find how he could serve others. He brought compassion, and a breath of fresh air to the world everywhere he went. He was adventurous, motivated, unafraid, ready, brave, and willing. He is a United States Marine. Brett was given the gift of wisdom from the Lord, and was able to speak like poetry. I am blessed and honored to have been able to have Brett in my life. I pray for the Chambliss and Vick family at this time. May Jesus comfort you and remind you that he has you in the palm of his hand, and Brett by his side.
