“ So, sorry for your loss! I didn't know Bruce but I certainly heard some stories from my coworkers who did. I am the Chief JPO in Cherokee County. In my earlier days I heard a story (at least a couple of times) how he got a "GREAT DEAL" on a "Player" piano that the owner didn't believe was in working condition, but Bruce secretly found that it was and bought it. Anyway, we are going to miss him and offer my prayers to you!
