“ Aunt Judy, Kelli, and family I’m so sorry for the loss of uncle Bud. He was a great man. I remember coming over to your house and he and Stacey would take my kids outside to see those chickens in the yard, so we could talk and exchange those books. Uncle Bud will be missed by all those he came in contact with. I love you all, Susan

“ Judy and Family, Bud will be missed at Hunter Station. In years past you could always ride around the neighborhood and see him cutting grass. No matter how sick he was, he always was smiling and cutting up, always happy. He loved his red truck and I quote his wife Judy. I remember when he cut my grass, he would say the boss is waiting she has my food ready with a big smile on his face. God bless your family with Christian Love Grace Coggins Veazey
