“ *Judy may God give you peace that your mom is now with her family members. Think she is dancing and singing with the angels in the sky. We will see her when our day comes to go to our massions in the heavens. Jesus loves all. Love Judy and Gerald Smith. R.I.P. Aunt Callie.*

Mother ,today will be hard, saying goodbye, but I am happy for you, for you are in paradise today, you will never hurt again, no more surgeries, no medicine, no. Lonliness, for you are with the King over all kings, our Lord and savior Jesus Christ and His Father, the all loving God who created us...You are young again. You are in Heaven, I will miss you terribly, but you have suffered for 5 years,and now have a new body,,,I love you mother, and a sad goodbye from me your only child,I will miss so very much..But call you back I would not. today you are with Jesus and The only GOD there is...Thank you God for your mercy...I will see you again one day mother, good brand I love you very much...Praise God, because of Jesus there is victory over death....Judy SpottedBird

“ *I am going to miss this feisty, beautiful, and smart grandmother of mine. She always was happy and supportive of all my accomplishments and told me I could do anything. I love you, and I can't wait to see you and grandpa again one day.*
