“ Praying for the family as you all walk in the passing of your beloved Cara. So many memories of she and Bob as they were such a part of this city. Her years in Mary Kay were inspiration for those of us that were fellow consultants and the care of her customers unsurpassed by others in the beauty industry. Her ability to walk in life with a smile and laughter would fill any room she entered. May you continue to be comforted by her zeal to live and be real in all life brings. I am blessed to have crossed her way on this side of heaven.
