“ Dear Ginger, I was informed just today of Jud's passing and I am absolutely devastated to hear of this. He was a giant among men and one of the finest people I have ever known in my entire life. He was a calm mentor and I spent many good time's with him as my boss at Wilco Truck Rental and he never once waivered in our friendship. I am so glad you and him had so many good years together. He loved you and I could see it when you were together. I wish I had stayed closer in touch. I admired his style of life very much. I hope my words and feelings bring you some comfort. I am so very sad to know he is gone and the world lost a good man.

“ Ginger, I'd like to offer my prayers for you and your family. As a 29 year Ryder employee and member of the Ryder Roundtable, I can tell you that Jud will be warmly remembered. Although I didn't interact with him personally, his name has always been mentioned throughout the years, not only as a highly successful salesperson for Ryder, but for the character and integrity he represented. May the Lord's blessings be with you and your family today and always and may the peace of our Lord and Savior Jesus Christ be in your heart always.

With deepest sympathy,

“Ginger, you probably won't remember me, but Jud was my first Sales Manager back in the '80's in Washington DC. He taught me a lot and I have fond memories of him. He was a good man. I'm very sorry for your loss.

“Ginger – We are so very sorry to hear about Jud. Our thoughts and prayers go out to you and the entire Crosswy family. Jud will always be remembered as a wonderful man that told it the way it was and never held back the truth. I would listen to him on your front lawn and always hope that one day I would receive the wisdom and courage that he had within.

As your neighbor, I offered my assistance to you and Jud if you ever need it. Today, from several miles away, I can only offer to you the words of Christ himself. He prepared each one of us by saying "You do not realize now what I am doing, but later you will understand." (John 13:7). I can only smile knowing today, Jud understands what Christ was saying. Any other words of sympathy cannot ease your pain, but Jesus did tell us that "I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid." (John 14:27) He specifically leaves peace to you Ginger, and to all of your family.

We miss you, and we will surely miss Jud. At neighborhood gatherings we will tell the new comers about a very special couple who lived on the corner. We will tell them about a man named Jud Crosswy who called a spade a spade, did not sugar coat the situation, and by the conversation, would have us all laughing so hard, our sides would hurt.

With so much love and hugs to you --Robert, Kathryn, Mallory and Madison Hough, Collierville Tennessee

“Ginger - my thoughts and prayers are with you and your family. I lost touch with you all but kept up through Ken Cozart. Jud was such a big influence on my career - so many wonderful memories of those days in New Orleans bring a smile to my face. I'll miss him.

Love,

Jeff
