“ Gene was a person you could always depend on. He did so much for so many people. He helped my parents, Hartwell and Merrill Booth, in so many ways; frequent visits, taking them grocery shopping and doctor appointments. The last picture I took of my dad was of him sitting in the Montgomery airport with Mom and Gene. Gene was a great Christian man and will be rewarded for his many good deeds.

“ So sorry about Gene’s passing. He was a very, very fine man. He had so many on his call list to check on them. I told him one time that was his mission. I will certainly miss his calls and he always said “I love you”. He loved everyone. He was younger than me but we grew up together. He came from a very fine family. I knew his Mother and Daddy. Gene I will miss you.

I work with Mr Gene at Revenue Department for many years. Not only was he a sweet man, he also was very funny. He truly will be missed by his family and friends, especially his church family. Rest on Mr Gene until we meet again 🕊
