“ *Uncle Wayne I will really miss you I have enjoyed taking care of you of the last few years. It was the greatest day when you got the van so that you could go mobile. The van and the wheel chair gave you the independence you needed to keep you going. I pray each and every day that I learn from you and your struggles with this disease. I will try very hard to not let DIABETES control me and I take control of my DIABETES. You were a fighter and I admire you for your strength. Your smile and our talks about ALABAMA football I will have in my heart forever. I love you and will miss you. Love you always*

“ *My family would like to send our condolences to the Seymore family for the loss of your dear loved one. May you find comfort and hope from the bible promise at Isaiah 25:8. Pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.*
