“ Thought of Allen today and decided to look him up and touch base. I had no idea he had passed. He was my boss at the Bank of Prattville. Also a fellow vet. He was only about ten years older, but as my dad passed while I was in the army, he was as close to a "father" figure as I had at the time. He gave me a lot of rope, possibly understanding I had a lot to learn about being a man. He is and will be missed. - Mike Harris
