

Carol Roy Lemon

October 13, 1943 - August 27, 2018

Lemon, Carol Ann Roy, 74, of Prattville, Alabama, passed away Monday, August 27, 2018. Funeral services will be held on Friday, August 31, 2018 at 12:00 p.m. at Hunter Hills Church. Visitation will be on Thursday, August 30, 2018 from 5:00 to 8:00 p.m. at Prattville Memorial Chapel and also on Friday from 10:00 a.m. to 12:00 p.m. at Hunter Hills Church. Ms. Lemon was preceded in death by her parents, Percy Duncan Roy, Sr. and Anna Louise Carr Roy and her sister, Belinda Faye Roy Burrige. She is survived by her two daughters, Angela Lemon George Duewall (Steven) and Tammy Lemon Terry (Michael); five grandchildren, Hunter George, Payton George, Samuel Terry, Vivianna Terry, Gabriel Terry; her brother, Dr. P. Duncan Roy, Jr.; nephews Bradford Roy, Rick Burrige, Michael Burrige; nieces, Kimberly Roy Harris (John), Kelly Roy, Michelle Burrige; and numerous extended family members and many dear friends.

Carol's life was rooted in hard work and strong character. At a young age, she and her siblings took responsibility for chores on the family farm before heading to school at Marbury. She grew up learning that faith, grit and ironclad strength would carry her through this life. Throughout her youth, she was known as someone on whom you knew you could depend. She watched her father and mother build their dream as they built the family farm that she would eventually save and preserve.

After several decades of building the family farm into a successful operation that focused on cotton, there came a time of drought and uncontrollable

conditions that led to a financial hardship on her parents, the Roys. When Carol found out about the challenges, she never hesitated for a moment. She figured out a way and risked everything she had been building for herself and her daughters...and she did it! Carol single handedly bought the farm and it is still actively working today focusing on cattle. It has become a place to come home to, where her family gathers and will continue to gather. In her last years, it became a place of solace for her and she found peace there, taking her grandchildren for golf cart rides in the pasture, cooking family suppers and taking care of her cows, especially Buttercup.

People throughout Autauga County and the surrounding area knew Carol for her real estate prowess and her unrelenting dedication to building her own dream, just like her parents had done before her. She always quoted her father as saying that you could work from your head up or your shoulders down. She did both. She started humbly, selling real estate for Aronov Realty in Prattville. It did not take long for her to build that into an impressive and ever growing list of homes sold and families helped. She loved helping people find the place where they would raise their families and enjoy as a refuge. It became a running joke when she held the Agent of the Month awards at Aronov for several years. She took those plaques with her when she opened Carol Lemon Realty 30 years ago. Those were just a handful of the numerous awards and titles she held. Every year, she climbed higher and higher in recognition of the countless homeowners she helped. But it was not about the awards. Carol simply knew no other way to live than to put her nose to the grindstone and help others along the way.

Carol always took pleasure in working hard and earning what she had. Although several challenges came, she always persevered and fought without falling down. Her children remember that when she fell back, it was on her faith and on her knees. Carol was a friend and confidant to many in her community. The community rallied around her when she fought and beat kidney cancer. That experience inspired her to support the fight against cancer by being a Relay for Life Survivors' Dinner supporter for more than two

decades. Carol served in numerous service organizations including Prattville Service League, the Chamber of Commerce, the Alabama Cattleman's Association and many others during her life. She had a pattern of sacrificing herself for those she loved even until her last days on Earth with us. She also found new things that she enjoyed in her later years, mostly dancing her feet off. We are grateful for the time we had with her and life will never be the same. We hold comfort in knowing that she is now dancing with Jesus and the stress of life has been left behind. Farewell Mom, you were so, so loved and you will be so, so missed...

There is an appointed time for everything. And there is a time for every [a]event under heaven—

2

A time to give birth and a time to die;

A time to plant and a time to uproot what is planted.

3

A time to kill and a time to heal;

A time to tear down and a time to build up.

4

A time to weep and a time to laugh;

A time to mourn and a time to dance.

~Ecclesiastes 3:1-4

“ Our deepest condolences to Carol's family. We bought a house through Carol in 1999 and have lived durectkt behind her for the many years. She was a great neighbor, but always on the go. We used to watch out for her dog Bunny, who would 'escape" from time to time. Although she was always very busy, we will miss her.

“ From Barney and Dot (Roy) Gibbons, our thoughts and prayers are with the Lemon family. We have know Carol and her Mom and Dad for many years. A wonderful family, Carol's Dad Mr. Percy and our family were cotton farmers, we had a lot in common. Carol will be greatly missed not only by her family, but the Prattville and Autauga County area also. Was always a joy when we would see her, to spend a few minutes reminiscing, we will miss her. Pray the Lords continued blessing upon your families.

“ *Angela, Tammy and families, Duncan and family, Carol was a beautiful person in every way. I was glad to get acquainted with her when we asked her to appraise our family home to put it up for sale next summer. I had known her and Belinda years ago, and had heard great things about Duncan from my sister, Joann.*

Your Aunt Edith was a long time friend of our family, who often spent the 4th with us to celebrate her birthday. We loved seeing the wonderful care Carol gave her in her last years.

Carol celebrated Daddy's 100th birthday with us, and I'm glad to have a picture of her with Daddy.

Her obituary was lovely...as she was and is.

“ I was one of the many who Carol helped to find a home.....and she did that more than once. She spent more time with me than she probably needed to but she never one time complained. As I went through my divorce, she was always there with a friendly smile and a kind word. She was truly a GREAT Christian lady and will be missed by many.

“ Carol was such an inspiration to all that knew her. She was my sweet and good friend that I admired and loved very much. We had so much in common and shared so many fun and good times... she had already made plans for a few of us to go and listen to Hunter play in his Church band in Tuscaloosa. Carol had a sweet wit about her and yes she could (ballroom) dance too ... I will always remember our sweet Smile and her fancy little dance step. I think she knew everybody in or near Prattville and knew who bought what house and who they were related to.

Carol Lemon Realty was her baby but her true love was her ❤️ Love and concern for her family. She loved life and the word "slow down" just was not in her vocabulary.

She was a true Lady of integrity, poise, strength, grace and character... always seeking what was good and right . We have had so many laughs and good times which I will always Cherish .

Carol was all about helping other people and especially the ones in need. I know she would want this to be a time of Celebration...

May God hold and wrap you in his arms of comfort and strength. ❤️

With Love,

“ Ms. Carol was truly one of a kind. I met her about 15 years ago when she first bought that little yellow beetle. Since then I knew she was a special woman. Several years later we reconnected with a rental property that lead to us buying a house from her. She worked her tail off to help us out and stayed with it until we were signed sealed and delivered. There was many times you could pass by her office late at night and she would still be there working away. I just want to say thank you Carol for all that you have done for my family and you will most definitely be missed by many. Clock out and rest now, you deserve it maam.

“ Aunt Carol was a beautiful, strong, classy and precious woman. I always loved spending time with her and she always deeply cared about what was going on in your life. She was always so sweet to me when I married into the Burrige family and always encouraged Michael and I. I absolutely admired her tenacity to build her business and her leadership skills. She will always be remembered by me as a true "steel magnolia." Rest in Jesus beautiful lady, you left an incredible legacy to your beautiful daughters and grandchildren. “ Carol has always been a special person in my family from selling us our family home to hosting my graduation party. My parents still live in that home that has so many memories. I remember being at their house and Tammy would do something and Carol would say TAMMY oh my goodness! It made me laugh and smile every time. After school trips to her office and weekends parked at her office held so many high school memories. She was always a strong woman and someone that everyone admired. I know she will be missed by thousands and thousands will have been touched by her kindness. My thoughts and prayers are with you ladies.

“ I've known Carol since I was 3 and she was about 12. Our families were close church friends in the "olden days". I was a junior bridesmaid in her wedding in the mid 1960's. Brings back good memories of being at her parents' "old house", a charming old south farmhouse, and all the wonderful fresh vegetables prepared by Carol and Miss Anna, her mother. Also, riding the pastures in an old truck with Carol on Sunday afternoon to "check on the cows". Many many more memories of her as a young girl, young woman, young wife and mother in Atlanta, coming back here and getting started in her career. She has become a fixture in Autauga County and will be greatly missed! RIP old friend.

“ About 2 years ago I was hired as the chaplain for Prattville Baptist Hospital and was looking for a place to move into. Carol went above and beyond her duties as a realtor to make sure that we had a nice house move into when we came from North Alabama. In fact, she rented us one of her family homes in Pine Level. For the past 2 years we got to know each other and it did not take long to know that she was a person of integrity. She was good to my family when she did not even really know us. I will always be in her debt for that. Chaplain Glenn Mize.

“ Carol Lemon is a very special person to my family . Loving, Caring, very smart, never met a stranger. Very good friend of my mothers growing up. We worked for her cutting grass. She got us in our first house. Knew so many people But every time you saw her. She could remember every ones name even if you had not seen her in a while. Working all the time but still had time to take care of her family members before they past. Love this town you could tell when she talked Thankful for her friendship. “ After meeting Carol and her family in the 1970s we occasionally stayed in touch.
But my funniest memory of Carol is in 1999, the night I went in a Montgomery dance studio where she was having a lesson. She stopped dancing, screamed and ran to me. We were two middle aged ladies from similar backgrounds and surprised to see each other there. :) For years we enjoyed discussing our dance lessons, attending 301 Club on Dexter Avenue and having many phone conversations about our families and social life. She amazed me on several levels, especially how she could work very late hours at the office but never seemed to tire. The only things that surpassed her passion for what she did was her love for Angela, Tammy, their families and her extended family.

Our last time spent together along with our friends Tina Salyer and Barbara Mann was attending church together at Landmark Church of Christ in Montgomery and eating lunch afterwards at Martin's Restaurant dropping her off by her realtor office where I had picked her up earlier that Sunday morning just a week ago-August 19th...while two weeks earlier we worshipped at Hunter Hills where her funeral will be held this coming Friday. She was a shining Christian light in our world and will be missed not only by me but my Central Alabama Singles' group where Carol was most important amongst us. The first time I met Carol, Angie and Renee were at the Primary school in Prattville and we would wait for them out front while Jimbo and Tammy played. That was around 40 years ago and over the years we have bought or sold 6 or 7 homes with Carol. She was a good friend and We (Jimmy and I) will miss her. Over the years she was much more than a realtor.

I am Emily Lemon Turner, better known as Joyce Lemon Turner. Carol Roy Lemon 🍋 was my precious sister-in-law and was the best person in the whole wide world to say yes when my brother asked her to marry him. She was the epitome of a good wife and mother. I loved her so much, and I continue to grieve her death since August 27, 2018. I miss our long distance telephone calls that lasted many hours. When I was told she was in the hospital, I called her cellphone leaving a message "Carol, I did not expect you to answer your phone, but please call me when you are better to let me know how you are." I was devastated when I got the call she had passed away. Goodbye, my beautiful Carol.
