“ My Aunt Carolyn was a beautiful, Godly woman
It always showed on the outside as well as inside.
She was the best Sunday school teacher I ever had.
God will get you through uncle John and all your family!

“ It's been a few years since I've been home there in Prattville from Illinois, and my purpose in my trip was to visit with all the Acreman families. I would always visit with John and Carolyn each time that I made the trip to Prattville. Carolyn was always so friendly and she never had a bad word towards no one, and she always praised the Lord whether at home or at church services. I will deeply miss Carolyn as she was one of the nicest ladies that I had the pleasure to know. John and family you all have my sincere and deepest sympathy, with the lost of Carolyn your wife and your children's mom that would do anything for all of us. John I will always consider you a brother as with all your other brothers and sisters, and I pray that the good Lord will be with you and your children, and with all the other family members during this time of the loss of Carolyn. Carolyn is now in Heaven with all our other family members, and she is looking down on you and yours and her children and other family members. John in my final words may the good Lord be with you and your children, and other family members the next few days and the days and weeks ahead with the loss of Carolyn. I will be there in spirit and thoughts of you and your family, during these sad times of the passing away of your wife Carolyn. John may the good Lord bless and watch over all now and always. Miss and Love all of you.

Carolyn Acreman was a beautiful Christian Woman with a heart of gold. I remember as a kid going to spend the day at her house and we all loaded up in her car to go to the grocery store. When we got back to her house, she looked at her receipt and realized that the cashier had given her backtoo much money, best I can remember it was only like a couple of dollars but she loaded us all back in the car and went all the way back to the store so she could give the cashier the money back so her register wouldn't be short. That made such an impression on my young mind at the time, I'll never forget it.... it's only one of many, many memories of my sweet Aunt Carolyn! Love you forever!
