“ Carolyn was a very devoted member of MALS ("Montgomery Association of Legal Secretaries") and I remember her as a motivated member and leader of our Association. I am still active in MALS and it is because of the leadership I was exposed to during the time Carolyn was active. Her son, Robbie Lusk, has spoken to our group many times and we are so thankful for Carolyn's leadership and devotion to our Association.

“ Carolyn was such a sweet lady. Every time this young, inexperienced and somewhat terrified lawyer walked into Judge Dorough's chambers she would make me feel that everything was going to be OK. I will always remember that about her. God rest your soul. In the promise of the Resurrection, we will see you again!
