“ To the Moore Family:

I am so sorry to hear about Carolyn. Our Family would pick her up for church after Mr. Moore passed away. Carolyn was very special to my family. As our children grew up, she always asked about each of them. It had been a long time since we have spoken, since we left Prattville in 2004. May she RIP.

I am so sorry to hear about Mrs. Moore passing. I used to take communion to her. Frequently I would bring my daughter, Broghan, to do my readings. She was about 6 then (she is now 25) and Mrs. Moore would tease her and tell her that she really thought she was a teenager... just short for her age. I think Mrs. Moore liked seeing her rather than me!! I loved talking and praying with Mrs. Moore. I especially loved it when she would pull out her pictures of Italy when she was a young child. We would also discuss healthcare since we both were nurses. I thought that she was a gem and I know that God welcomed her with open arms into his heavenly kingdom. Sending thoughts and prayers to the family.
